

4-H – FFA Club Project Insurance

Protect Your Investment...

The investment of money and time in your project animal is important. Don't gamble against the possibility of death, insure your project animal with the Florida Farm Bureau Insurance Companies. This special policy protects your animal against loss by death and loss by theft. A six month or one year policy is available for any project animal of 4-H and FFA members. The policy offers full protection for your animal during transportation and exhibition.

The Cost...

For this valuable protection is low: ONLY 6% of the amount of insurance for a one year policy. For example, an animal valued at \$100 – the premium would be \$6 for a full year of protection. The premium for a six month policy is only 5% of the amount of insurance. Example, an animal valued at \$100 – the premium would be \$5 for 6 months of protection.

EVERY 4-H and FFA Member...

Who raises project animals will want to purchase this valuable low cost insurance.
